Mansfield Primary School
Bus Policy

BASIC BELIEF
Our school believes that student behavior on and around buses is of vital importance. This has a direct impact on student safety, effective bus service and maintenance of student enrolments. Students traveling to and from our school by buses need to do so safely and in a manner consistent with DEECD guidelines.

IMPLEMENTATION
• Students attending government schools are eligible to receive free bus travel to their nearest school, so long as they reside more than 4.8 kilometres from that school.
• Students attending government schools are also eligible for a Conveyance Allowance so long as they attend the nearest school, no bus service is available and they live more than 4.8 kilometres from the school, or they live more than 4.8 kilometres from the nearest bus stop.
• A student may access travel to a school other than the nearest school upon payment of a fare. Such travel is conditional upon space being available on the bus after all eligible travellers have been catered for. Approval is on a term-by-term basis.
• Mansfield Secondary College has the responsibility for the coordination of school buses, including coordination of student travellers, payment of fares, and coordination of Emergency Management procedures, etc.
• Our school will designate a staff member as the bus coordinator. They will undertake all responsibilities associated with bus travel by students, including liaison with the Secondary College and bus companies.
• Our school bus coordinator will ensure all students travelling regularly by bus undertake revision of bus safety rules and procedures at the commencement of terms 1 and 3 each year or when deemed necessary.
